It was an exciting pageant, and I know Asia will do great things with Great Lakes Productions and the Indiana AIDS Fund and promoting HIV/AIDS Awareness. You Go Girl! I was 4th runner-up this year, and had a marvelous time with all of the contestants. I was thrilled to compete and share some of Rose's best with such a gracious audience. Congratulations to David Keely, and the Great Lakes Productions Board, and all involved in producing this year's pageant. All my best to Asia! XoXo
